### **BUSINESS KEYHOLDER**

Do you own a business in the Town of Tonawanda? If you would like us to have your contact information in the case of after-hour emergencies on your property, we have a form that can be completed online which our Public Safety Communication Center receives and enters into our dispatch system. It is the most efficient way of getting us your key-holders and other info you supply.

### **VACATION HOUSE CHECK**

Vacation House Checks are a service provided by the Town of Tonawanda Police for residents who are away from home for vacation. After filling out the required paperwork, an officer will check the premise at random times and contact you or your emergency contact person to report anything out of the ordinary.
