Here is a brief description of our aerobics classes!

AGELESS & AWESOME: This is a “no boundaries” class...push yourself to your **own** limits in a safe and controlled environment while exploring various exercise options and see improvements in your strength and endurance.

BEG. / INTER. YOGA: Energize yourself and relive stress practicing Yoga postures that develop strength, flexibility and mental focus.

BEGINNER TAI CHI: Learn the “soft” martial art of Tai Chi. Great for relaxation, balance, and energy. A very disciplined form of exercise practiced in China by millions for hundreds of years. Experience the mental, physical and spiritual balance of this relaxing yet stimulating form of exercise. We offer instruction in the standard 24 form Tai Chi known around the World. Ageless, timeless, and beneficial to ALL who participate.

BODY BLAST: An aggressive aerobic and strength class that will increase endurance and burn fat.

CIRCUIT TRAINING: This class is an invigorating combination of strength training and cardio conditioning that will keep you motivated and keep your body guessing.

CORE & BUNS: A short 30 minute class that will strengthen your core muscles (abs, lower back, glutes and hips) and improve balance and posture.

CORE & MORE: A great way to strengthen your core, improve your posture, tone your muscles and improve your flexibility and balance. This class will incorporate concepts from Pilates, Yoga, & strength training. Equipment will include mats, light weights, resistance bands, & balance discs.

CRASH COURSE: A class for 10-12 year olds who are interested in learning how to exercise for general good health and/or athletics. This class will focus building solid weight room fundamentals, coupled with a fun and exciting atmosphere.

FIT FOR LIFE: A class for those who wish to be more active as current health professionals recommend. This class will involve strength, flexibility, core, balance training & aerobic movement. Each participant will be encouraged to work to their own ability, in a friendly and welcoming environment.

FUNCTIONAL FITNESS: A challenging class for both beginners and experienced exercisers, focused on improving overall health and fitness. Achieve weight loss, lean muscle gains, increased core strength, balance and stability in this engaging and exciting NEW class.

FUNCTIONAL MOVEMENT STABILIZATION AND STRETCHING: This class will utilize the breathing flow of Yoga to focus on stretching in a functional way while integrating core stability, balance and strength exercises.

GROUP TAI CHI FOR INDIVIDUALS: Learn 24 Form Tai Chi your way! Take your time. There is no rush in Tai Chi. This slow, gentle yet effective workout, will improve your balance, strength and your patience, too! Relax. The process feels good, whether standing or sitting in a chair. When all 24 clusters of moves are learned gradually through repetition, doing a set (all 24 clusters) feels so smooth and freeing.

MORNING TAI CHI & STRETCH: Wake up with a workout that will get the body going. This class will work on Static and Dynamic Stretches and Core Strength using 24 form Tai Chi.

POWER TRAINING: Get stronger and build quality muscle through the power moves like the squat, press, deadlift, and bench press. Set and achieve regular goals with a weight room workout that is individually designed just for you.

RISE & FLOW YOGA: Begin your day with a balanced flow of mindful movement, breath work and relaxation for all ability levels. Each vinyasa flow class is unique and may include variations of sun salutations, standing postures, backbends, inversions and gentle twists. Build strength and improve your flexibility while also bringing a greater sense of harmony to your body and mind.

SILVER&FIT® EXPERIENCE: A class open to all but FREE for any Silver&Fit® members. Silver&Fit® Experience is for moderately active older adults who exercise in some way one or two days per week. The class is designed to increase the participant's flexibility, joint stability, dynamic balance, coordination, agility, reaction-time, muscular strength, and cardiovascular endurance.

STEP AEROBICS: A 60 minute intermediate level class that utilizes the Reebok step class format that generally finishes up with toning & stretching.

STRENGTH TRAINING: Want to reduce body fat, increase lean muscle mass and burn calories more efficiently? Strength training to the rescue! Strength Training is a key component of overall health and fitness for everyone. This 60-minute class will jump start your metabolism and get you fired up!

ALMOST NO IMPACT AEROBICS: Join this fun, low-impact aerobic class where the goals are to improve flexibility, stamina, posture and balance.

TOTAL BODY CONDITIONING: This is the TOTAL PACKAGE! TBC will incorporate various cardio and strength training techniques to give you an incredible workout and leave your body wanting more!

WARP SPEED: Looking to improve balance, stability, strength, quickness, and agility? Join our most advanced class for a 60 minute heart pumping, total body workout that replicates real sport and daily movements.

YOGALATIES: A yoga and Pilates fusion class that will help you to increase overall strength and flexibility with emphasis on your core and body awareness. This class will incorporate equipment used in mat Pilates and yoga classes.

ZUMBA: Latin dance inspired aerobics including Salsa, Merengue and Cumbia that will keep you energized while burning LOTS of calories! A comfortable and fun environment welcomes even the most novice exerciser, so don't be shy, jump right in!
