

Do you have trouble hearing on the phone?

JOIN US!

Join our event to learn about true no-cost telephone captioning. CaptionCall does not charge for the captioning service, phone or mobile app, delivery, or any form of customer support. See you there!

We are an FCC authorized service provider and we make it possible for people with qualified hearing loss to participate in this federal program.

CaptionCall is available in the United States ONLY. FEDERAL LAW PROHIBITS ANYONE BUT REGISTERED USERS WITH HEARING LOSS FROM USING INTERNET PROTOCOL (IP) CAPTIONED TELEPHONES WITH THE CAPTIONS TURNED ON. IP Captioned Telephone Service may use a live operator. The operator generates captions of what the other party says. These captions are then sent to your phone. There is a cost for each minute of captions generated, paid from a federally administered fund. No costs are passed along to individuals who qualify for the service. The CaptionCall phone remains property of CaptionCall in order to provide ongoing support, service, and upgrades.
